

Homemade Chicken Broth for Dogs

Ingredients:

Chicken meat

Instructions:

1. Bring chicken meat to a boil in plain water with no seasoning.
 2. Lower the heat and allow to simmer uncovered for 3-4 hours, skimming any foam off of the top
 3. Strain the liquid to remove all chicken meat. Allow to cool to a safe warm-but-not-hot temperature.
 4. Pour over your dog's food or use in homemade dog treats – and enjoy!

Rich in nutrients and collagen. Helpful for diarrhea and constipation. Contributes to a shiny coat!
Check labels on all store-bought broth. Onion and garlic can be toxic to dogs. Sodium is also a concern.
